T. A. Muirhead & Company had the greatest Santa Claus reception for Young America ever seen in Tucumcari, last Thursday evening and the store and side walk were lined with children most of the afternoon. W. F. Owen, clerk for the company, did the Santa Claus stunt to the Queen's taste, hauling the little fellows to the store in an automobile and it was loaded to its utmost capacity with its happy crew of buglers, etc. Children and all more than 1000 people visited this store Thursday, and the purchases were a surprise to the firm itself—another proof of business push and persistent advertising.
